- Grinding & Polishing Concrete

Why pay your hard earned cash when you can now spread the load over time?

Thinking of selling your home? Well the market and the competition are getting tougher and it is getting harder to achieve top dollar for your home be one step ahead. Let's face it what is the first thing a prospective purchaser looks at? Your driveway!! So why present your showpiece with a dull boring old grey concrete driveway when you can now afford to add \$\$\$ to the value of your home.

The Results speak for themselves Same House- Huge Transformation. This driveway now has the edge over one with the boring grey stuff.

Supreme Resurfacing Systems don't just spray pave driveways we also transform outdoor entertaining areas, patios, paths, pool surrounds and more. We can extend your existing concrete as we pour all our own concrete and concrete add-on's and then resurface it all to match with a dazzling display of colour and patterns.

For patio and outdoor entertaining areas we specialize in custom spray tile in sizes from 200mmx200mm to 1200mmx1200mm or more if you wish. Spray tiles look like the real thing as they have a narrower mortar joint than stencils we custom size mortar size from 6mm to 12mm. Tiles can be sprayed straight, offset or on 45 deg. So for all your concrete needs and for a great finance deal on your project call us now for details.
